Performance Reflections

What results has your team member delivered based on your expectations of their role?

Manager Reflection

- Response:** Bruce is a senior technical leader in ASP. He supports numerous customer facing activities and focuses heavily in developing and bringing forward next generation technologies for Cisco and our customers. This period Bruce had impact in a number of key areas:
- Strong strategic focus on positioning Cisco for the future. 4 patents filed, Bold Bet nominee, Cisco Live speaker and lab owner. Contributing to Customer papers at MPLS-WC
 - Coached/supported account teams in numerous CPOCs (ATT, Megaport, Equinix, Twitch, Google, NY SRv6 workshop)
 - Internal and external thought leader - two SP 360 blogs, enablement, SONIC Lab, SR Git HUB owner
 - Great coach of people helping next generation talent grow. Mentoring Senior SE's to PSE (Masi M)

How does your team member show up against [Cisco Principles](#), and put their strengths at the service of the team? If your team member is a people leader, please also share examples of how they are showing up against [Cisco's Leadership Expectations](#).

Manager Reflection

- Response:** Bruce uses his fantastic reputation to advance Cisco and account teams at Customers (Oracle, Google, Equinix, Bell and more) by bringing long term innovation to them with pragmatic, incremental steps. Bruce is sought after across Cisco with teams from EMEA and APJ asking for his time to help them drive thought leadership.

Expectations Overview

This team member is meeting expectations for their role across both areas of Cisco's Performance Framework (Business Outcomes and [Guiding Principles](#)).
